

Return journey - route and description

From Meiringen, the route first leads up to the "old familiar" Grimsel Pass. After the descent turn left up to the Furka pass. Continue to Andermatt and up to the next "2000er", the Oberalp Pass. From here we follow the Vorderrheintal via Disentis to Chur (lunch break?). We continue via Landquart and Maienfeld to Liechtenstein. Via Feldkirch and Götzis to Dornbirn. From there on the well-known route via Alberschwende, Lingenau and the Riedberg Pass back to Sonthofen. Total distance approx. 300 km!
